\*To take advantage of the full year discount tuition for the season must be paid within the first 2 weeks of registration

\*\*6 costumes are included. There is a fee of \$65 for each additional recital costume

Students that register after the first month of class will be subject to a pro-rated fee for all included expenses

Solos, duos, and trios are priced separately and are not included in the above fee schedule.

## Why is this pricing different from other dance studios?

Typically studios require a registration fee, recital fee, costume charges, and additional payments to be made throughout the year. We have simplified things by adding up those total costs and dividing them across the 9 month season so that you are never faced with an unexpected charge.
