*To take advantage of the full year discount tuition for the season must be paid within the first 2 weeks of registration

Students that register after the first month of class will be subject to a pro-rated fee for all included expenses

Solos, duos, and trios are priced separately and are not included in the above fee schedule.

NEW!! Me & My Mini will learn a recital routine and the child will receive a costume! Actual performance will be dependent on class vote during the season.

Why is this pricing different from other dance studios?

Typically studios require a registration fee, recital fee, costume charges, and additional payments to be made throughout the year. We have simplified things by adding up those total costs and dividing them across the 9 month season so that you are never faced with an unexpected charge. This also allows you to save your total cost overall throughout the year compared to other studios.
