*To take advantage of the full year discount tuition for the season must be paid within the first 2 weeks of registration

**6 costumes are included. There is a fee of \$65 for each additional recital costume

Students that register after the first month of class will be subject to a pro-rated fee for all included expenses

Solos, duos, and trios are priced separately and are not included in the above fee schedule.

Why is this pricing different from other dance studios?

Typically studios require a registration fee, recital fee, costume charges, and additional payments to be made throughout the year. We have simplified things by adding up those total costs and dividing them across the 9 month season so that you are never faced with an unexpected charge.
